OFFICIAL STATEMENT

ANNOUNCEMENT OF CANCELLATION OF MMI MAKING AN INFORMED DECISION 2020

9 May 2020 – In light of current events and the recent announcement of the Conditional Movement Control Order (CMCO) by the Prime Minister of Malaysia, the National Security Council (NSC) has released details on the Standard Operating Procedures (SOP) stating that any mass gatherings of more than 10 participants are not permitted for the current period of time. Thus, it is with great sadness that we announce that our previously postponed Making an Informed Decision (MAID) 2020 is now officially cancelled.

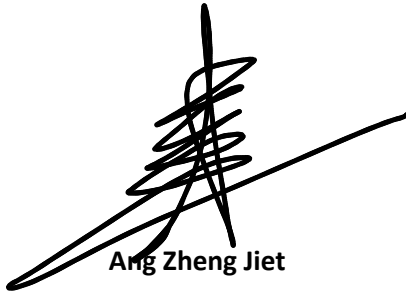

We understand that the cancellation of MAID 2020 is disappointing to everyone, especially for our dearest participants. This difficult decision was made by our MAID 2020 committee in consultation with MMI Executive Council and MMI Malaysia Branch Council after immense consideration for the health and wellbeing of the participants, guest speakers, committee members, medical student volunteers, and everyone else involved in MAID 2020. We believe this is in the best interest of everyone involved.

All participants are entitled to receive a full refund of the participation fees. Kindly refer to your individual emails for more details. If you have any questions or concerns, please reach out to us at mmiymmaid2020@gmail.com.

We sincerely apologize for any inconvenience caused by the cancellation of this event. We would like to thank everyone who has supported MAID 2020 from the bottom of our hearts.

Stay home. Stay safe.

Sincerely, MMI Young Medics

Ang Zheng Jiet

Co-Organising Chairperson
MMI Making An Informed Decision
MMI Young Medics Chapter Council
